SL ST – Slip Stitch
INC – Make two Single Crochet in Same Stitch
DEC – Single Crochet two stitches together
BLO – Back Loops Only

Note: Entire project is worked in the round. Use a stitch marker or a scrap piece of yarn to mark the beginning of each row. Then you don't have to count every row. Do not join unless instructed to.

Parentheses indicate a repeat. Repeat the stitches in the parentheses for the number of times indicated.

The bracketed number [] is the number of stitches at the end of each row.

I spread my increases out so there isn't a seam on the finished piece. If you do not like this method, you can do regular increases.

falling over. I picked two of the colors from the eyes to pull everything together.

Ch 2

Round 1: 6 SC in 2nd CH from hook

Round 2: (INC) 6 times [12].

Round 3: (SC, INC) 6 times [18].

Round 4: (SC, INC, SC) 6 times [24].

Round 6: SC in each stitch [24]

FO leaving a long tail. Stuff and sew to the bottom. Place two legs in front and one leg behind to balance him out.

MOUTH – in felt

Folding your black felt in half, make a large oval. Glue to body.

For the teeth, I folded the white felt in half and traced half of the oval on one side to get the arch correct. Then cut top arch and teeth along the bottom. Glue to mouth lining up the arches.

I had some extra white felt so I cut out two more teeth and glued them to the bottom of the mouth.

MICROPHONE – make one in Aqua

Sew end of chain to the side of your monster. Work the yarn through the

chain and sew to next to the side of the mouth so the ball is next to the mouth.
